

Criminal Investigation Tactics - Techniques – Procedures

Instructors: Tim Randall

Tim served with the Nampa Idaho Police Department for 31 years. He was assigned as a criminal investigator for 21 of those 31 years. As a lead investigator and supervisor, he conducted and assisted in hundreds of investigations. These include homicides, suicides, child abuse, rape, robbery and internal investigations. Tim has served in many positions to include, patrol, patrol supervisor, criminal investigations, CID supervisor, SWAT, school resource officer, internal affairs and polygraph examiner. Tim has served as the supervisor of the Operations of Professional Standard Division and was responsible for recruitment, hiring, and background investigations. Tim currently works for the Twin Falls, Idaho Police Department responsible for hiring and background investigations. Tim also works as an independent contractor conducting background and internal investigations for many agencies. Tim has been an Idaho POST certified instructor for over 25 years in interview & interrogation, SWAT, chemical munitions, child abuse, elder abuse and juvenile procedures.

Course Objectives:

This webinar outlines tactics, techniques, and procedures with the goal of providing practical tools to ensure successful investigative processes and investigative practices. Most importantly, this webinar will give you step by step instructions during the follow-up phase of an investigation.

In this webinar we set the foundation for a criminal investigation by calling attention to important topics:

- Canvassing for information
- Data bases
- Fusion Centers
- Victimology
- Crime scene reconstruction
- Blood pattern analysis
- Timeline & flowcharts
- Investigative checklists
- Elements of a crime
- Digital evidence
- Social media
